Riverview Holiday Park is a well presented family owned park, open 12 months of the year. It is set in a tranquil, dog friendly environment for the over 50s and is surrounded by beautiful countryside and riverside views.

The friendly village of Newcastleton is close by and offers a wide range of local shops, cafes, hotels as well as a variety of activities to suit all ages.

The park is within easy travelling distance of Carlisle, Gretna and Kielder Water as well as being the gateway to many historic Borders towns.

We have a number of new and pre-owned luxury holiday lodges to view during this weekend. Why not pop along and meet our friendly team will be more than happy to show you round these great properties.
